RE: Compliance Review Report

Dear Mr. Sears and Ms. Robinson,

The State Personnel Board (Board or SPB) conducted a baseline compliance review of the Department of Consumer Affairs' Regulatory Boards (DCA Regulatory Boards)' examinations, appointments, and EEO program during the period of May 1, 2011 through October 31, 2012. The primary objective of the review was to determine if DCA Regulatory Boards' personnel practices, policies, and procedures complied with state civil service laws and board regulations, and to recommend corrective action where deficiencies were identified.

DCA Regulatory Boards provided the documents that SPB requested. A cross-section of DCA Regulatory Boards' examinations and appointments were selected for review to ensure that samples of various examinations and appointment types, classifications, and levels were analyzed. The review of the EEO program included examining written policies and procedures, the EEO officer's role and duties, and the internal discrimination complaint process. The SPB also interviewed appropriate DCA Regulatory Boards staff.

The Compliance Review Division has found no deficiencies in the reviews of DCA Regulatory Boards' examinations, appointments, and EEO program. These findings are being provided to the five member State Personnel Board at its next available meeting for their review. If the Board agrees with the findings, it shall issue a resolution adopting the recommendations. If the Board does not agree with the findings, it will then issue orders with its own recommendations. In either event, you will be notified of the

decision of the Board and any further recommendations it may have. Once the Board has adopted the findings in whole and without further recommendations, the findings will then be posted on our website.

We greatly appreciated the cooperation and assistance provided by DCA Regulatory Boards personnel. If you have questions, please contact me at (916) 651-0924.

Sincerely,
