TITLE 2. ADMINISTRATION
Division 1. Administrative Personnel
Chapter 1. State Personnel Board
Subchapter 1. General Civil Service
Article 1. Definitions

§ 5.1. CEA.

"CEA" means a career executive assignment as specified in Government Code section 18547.

§ 5.2. Retired Annuitant.

A "retired annuitant" refers to a former employee of the State who is receiving a retirement allowance from the Public Employees' Retirement System (PERS) and is reinstated temporarily in a civil service classification or CEA category, to which he or she is eligible, as specified in Government Code section 19144, and which is subject to Government Code sections 21223 and 21224.

§ 75. Continuously Vacant Classifications.

(a) For any classification that has been vacant continuously for twenty-four months, the Department shall prepare a notice of proposed recommendation for classification action to combine, alter, or abolish the classification. The notice of proposed recommendation shall include a report as to whether positions affected by the recommended change are to be reallocated to another classification or classifications after taking into account the duties and responsibilities, qualifications, performance standards, and other related criteria of the affected classifications.

(b) After giving an opportunity for agencies and recognized employee organizations to comment on the proposed recommendation for classification action, the Department shall submit its recommendation for classification action to the Board unless the recommendation is to abolish the classification and the Department received no opposition to taking this action. In such an instance, the classification shall be abolished without further Board action.

(c) On an annual basis, the Department shall report to the Board the number of classifications that were abolished under this section.

§ 248. Appointments and Classification Plan.

(a) A person, including a retired annuitant, shall only be appointed to a civil service classification or CEA that is appropriate for the functions, duties, and responsibilities of the position the person is hired to perform.
(b) The appointing power shall follow the Classification Plan and not require employees to perform duties outside their classification except in emergencies, for training purposes, to meet compelling management needs as defined by Board rules, or to return an injured employee to work.

Article 2. Position Assignment [Repealed]

§ 548.5. Creation or Revision of CEA Positions.

(a) Before a position may be allocated for inclusion in the CEA category, an appointing power shall submit to the Department a notice and report of the CEA proposal. For a period of 30 calendar days, the Department shall post the notice and report on the Department's website. The report shall set forth with specificity the reasons for the CEA proposal. The Department may require the report to contain any other information or documentation it deems relevant.

(b) If the appointing power seeks to substantially revise an existing CEA position, the proposal shall be posted as specified in subsection (a).
(c) During the public notice period specified in subdivision (a), any person, association, or organization may submit to the Department an opposition to the appointing power's CEA proposal. A person, association, or organization submitting an opposition shall also simultaneously submit a copy of the opposition to the appointing power. The opposition shall be on a form designated by the Department. If an opposition(s) is submitted, the Department will take appropriate steps to analyze the CEA proposal. CEA proposals that the Department recommends for Board approval shall be placed on the Board agenda.

(d) If no opposition is timely filed, the CEA proposal shall become effective without Board action.
